The screenshot shows a web application interface with a dark blue background. At the top, the title "Identity On Blockchain" is displayed in white. Below the title, there is a "Connect Wallet" button. To the left of the "Connect Wallet" button, there are four input fields stacked vertically: "Enter Identity ID", "Enter Name", "Enter Email", and "Enter Address". Below these input fields is a "Register Identity" button. To the right of the "Connect Wallet" button, there is a "User Metamask address" input field and a "Get Identity Details" button. The browser's address bar shows "localhost:3000". The browser's sidebar on the right contains various icons for navigation and settings.
